- By mirroring the in-store experience, users are prompted online with exploratory, emotion-based questions fit for their specific occasion.
- Florists gain back their creative freedom to design unique one of a kind floral arrangements curated for your story.
- So you get back to your roots of being a guide and celebrating moments.
Just For Flowers®

- Unique, flower-dye spray provides transparent color for the most natural addition of color. Colors blossom without hiding surface details.

- These products expand the flower palette with 136 Blue Violets - a violet-influenced blue; 141 Coral Charming - a prized peach/coral; and 142 Thicket - a grey toning spray to shift hues muted and moody.

- Fast drying for fast results.

- Sheer color provides easy value control and color blending. Tint with a light application or layer coats to deepen the color. Color shift blooms blending flower and spray colors.

- We fibbed. It’s NOT just for flowers, but for multi-surfaces. Use it to dye canvas, fabric, leather; stain wood, paper, concrete; glaze glass, ceramics, metal.
Curate Corporate Dashboard

- View the entire organization on a single page
- Compare which stores are creating proposals and booking events to help all stores perform at the same level
- Deliver uniformity across multiple locations, ensuring the brand is represented correctly
- Protect margins and enforce a company standardization
- Reduce wasted time with better processes and efficiencies
Ceramic Cactus Pot (CUD2505WT)

- Its name is derived from its decorative ridges and grooves similar to those seen on desert cacti.
- Much of this vase’s overall appeal comes from its unique texture.
- This ceramic vase has become a fast favorite for use as a simple yet distinctive decorative piece for succulent and floral design.
- The matte white finish offers a clean and classic look which also serves as a blank canvas for any type of additional décor.
- Combined with a modest size of approximately 5.7” tall and 7.5” in diameter, this cactus vase’s versatility only adds to its continually growing appeal.

WGV International
Rio Hanoi Ranunculus

- Brand-new Clonney variety of Rio Hanoi Ranunculus with exceptional new quality and year-round production
- Rio Hanoi Ranunculus is a blush pink that opens double the size as Elegance variety
- The huge flower is formed by many paper-thin petals in pastel shades of pink and white that protects an inner green eye at the center. It is a gorgeous and captivating flower that opens into a large bloom of seemingly concentric circles of petals
- The blush color pairs with a wide variety of flowers and colors or can be used alone to create simple bouquets and centerpieces
- Rio Hanoi Ranunculus have a vase life of 8 to 10 days and have become a cut flower classic for wedding planners
Bella Moss™ Creative Natural Accents

- All-natural, sustainably-sourced, dried and preserved mosses add a lush, natural accent to any creative project.
- From decorative moss baskets and planters to our patent protected wind chime baskets, Bella Moss’s Natural Accents are perfect for Mother’s Day, Easter, Sympathy work and other special occasions and events.

- Customizable domain for interactive customer proposals
- Dedicated Curator Success contact that knows the details of your business
- Automatic source tracking for incoming, online lead inquiries to know exactly what marketing efforts are paying off
Moon Bowl Vase (VMV1007)

- This elegant piece is commonly referred to as a moon vase as it resembles a full moon in the night sky.
- The moon vase’s design consists of rounded sides with a distinctive “pinched” edge giving the vase a narrow bowl-like profile with sharp clean lines that extend upward, ending in an oval eye shaped opening.
- Each piece is approximately 7” high, 8” wide and only 3.75” deep. This design allows for a wider display field for the floral arrangement without the need for a lot of filler materials.
Rio Lynn

- Named for Lynn Lary McLean, AAF, AIFD, PFCI, TMF, a floral industry legend.
- This one-of-a-kind flower features a pale-pink center surrounded by a cream color, created by a breeder in Germany and propagated in the Americas by Plantec.
- Its classic shape and beautiful scent mean it can work perfectly on its own, or combined with other flowers and foliage. Rio Lynn’s petals re-curl at petal margin for a classic look, and opens flat in star shape.
- Rio Lynn is a gorgeous variety, that when is combined and blend with other flowers shades, creates stunning arrangement.
- As this exclusive variety of roses has such vibrant cream color, it’s often chosen as a focal flower for wedding bouquets and centerpieces.
- Rio Lynn has a large bloom size, and a vase life of 8 to 12 days. You can get Rio Lynn in all sizes starting at 40cm to 70cm.
Holly Chapple Event Design Kit

- Syndicate has partnered with Design Master to bring you the perfect solution for your next event
- Combines 1 can of Design Master’s Brilliant Gold paint (Holly’s favorite!) plus our luxe plastic Abby compotes and pillow mechanics to help you create stunning centerpieces

- A wide variety of leaders and content lends to growing small and medium-sized businesses and maximize efficiencies in multi-location organizations
Hurricane Vase (VHV0812)

- This flared hurricane vase was one of our most popular pieces for Valentine’s and Mother’s Day.
- This classically styled vase has a traditional cylinder-shaped body with a slightly flared opening to accommodate large bouquets and arrangements.
- The entire piece sits atop a short but heavy base, which adds stability when filled.
- Each piece is approximately 15” high with a roomy 8” flared opening on top.
- The vase’s overall size and shape easily accommodates a dozen roses or a decently sized bouquet to be built and displayed.
Rio LA Hybrid Lexington

- Rio introduced in 2018 an entire collection of LA Hybrid Lilies, Oriental Lilies and Rose Lilies from our farms in Costa Rica grown year-round.
- In 2019, Rio introduced a new variety of LA Hybrid called Lexington.
- This variety features a true light pink color with long sturdy stems of 75 cm.
- Each lily stem has 3-5 blooms which develop sequentially over time and a vase life of 6-8 days.
- Rio LA Hybrid Lexington is an elegant cut flower that transforms any arrangement into a classy masterpiece.
DIY Terrarium Kits

- Best-selling DIY Terrarium Kits have been updated with new terrarium glass shapes and clever consumer-friendly packaging
- Your plant-loving customers will love these giftable kits as is
- Or offer an in-store terrarium workshop where customers can add live plants and natural accents to the kits for a memorable make-and-take experience
Grassy Eye Garden Roses

- This new variety with a green center gives roses a unique look, which is versatile for all types of design from classical expressions to contemporary designs.
- These flowers are a conversation piece.
- Available in red, orange, yellow and pink.
- The roses have a dense petal count and are extremely durable.
- These roses are grown in Ethiopia by Sunrise Farms and are available from Gardens America.
