RULES

- The Sylvia Cup is based on a surprise package format. Having prior knowledge of the Sylvia Cup product gives the appearance of an unfair advantage. Contestants who are exposed to the Sylvia Cup product, whether it is stored in the Flower Work Room or elsewhere, will be disqualified. Contestants must notify SAF at least 2 weeks prior to the convention if they will need access to the Flower Work Room so that SAF, PFCI and Convention Design Team can accommodate your needs and our need to keep the Sylvia Cup surprise package a surprise.
- Only SAF members or contestants sponsored by SAF members may compete.
- The competition is limited to the first 20 SAF members or affiliates of SAF members who return the entry form with payment to SAF by Aug. 5, 2022.
- Contestants who enter after the Aug. 5, 2022 deadline might not be listed on the on-site convention materials.
- The Sylvia Cup entry fee will be refunded if cancellation is received in writing by SAF on or before Aug. 19, 2022. There will be no refunds after Aug. 19, 2022.
- Contestants must attend the Awards Dinner, where the Grand Prize Winner, First Runner-Up and Second Runner-Up are announced and awarded.
- Contestants will receive the same assortment of flowers, foliage, containers and props.
- Size requirements for design(s) will be announced on-site. Design(s) that do not meet the size requirement will be disqualified.
- Contestants must clean up their work area and exit competition site before judging begins.
- The highest combined score of design portion(s) determines the winner. See "Sample Evaluation Form."
- Contestants may not speak during the competition. The PFCI Board of Trustees will answer spectator questions.
- Competition instruction is given in English.

No tools are necessary

Permitted Comfort Items

- Jacket (competition area may be chilly)
- Snack, Water, Soda
- Towels

SAMPLE EVALUATION FORM

10 Points = Superior 5 Points = Average 1 Point = Poor	Possible Points	Awarded Points
DESIGN ELEMENTS		
Line/Form – Definable path for the eye to follow. Has a “3-D” shape	10	
Color – Definable color harmony present	10	
Space – Area utilized in and around ingredients (including negative space)	10	
DESIGN PRINCIPLES		
Balance – Does not fall under its own weight and gives a sense of optical equilibrium Focal Area	10	
Proportion – Size relationships of the design ingredients to each other	10	
Unity – Chosen materials “work” together in size, shape, texture	10	
MECHANICS/EXECUTION		
Mechanics/Execution – Design is neat, clean and finished. No foam showing, sturdy and able to be picked up without falling apart?	20	
CREATIVE APPLICATION		
Originality within the Category Interpretation – Have they taken the category and made it something “above”?	10	
EXCEPTIONAL MERIT		
Bonus Points – Reward an outstanding quality with additional points. Please use the exceptional merit for anything you liked above and beyond. Maybe a leaf treatment, maybe a container alteration. It can be 1 pt. – it can be 9 points. These extra points help break ties that may occur from even scoring on the above categories.	10	
SCORE	100
