

Floral Foundations: Money-Saving, Creative Sustainable

SMITHERS-OASIS

Don't Skip the OASIS® Floral Foam!

Skipping OASIS® Floral Foam Is a Mistake Florists Can't Afford

Great for Flowers

Floral Foam helps flowers hydrate and product looking great!

Design Precision

Get the look you want, just how you want it.

Time Efficiency

Skip the onsite designing and opt for labor and set up efficiency.

Transport Safety

Reduce the re-work and potential delivery issues. Less re-work= more money in your pocket!

SAVES MONEY!!!

Black foam blends in— so you don't have to spend time (or money) covering it up.

We Are Reinventing Floral Foam

At Smithers-Oasis and its global-leading brand OASIS® Floral Products, we know what it takes to revolutionize the floral industry. We invented floral foam, and now we're reinventing it.

Meet the plant-based, biobased, low carbon footprint, high performance foam suited for every kind of floral design: OASIS® Renewal™ Floral Foam.

OASIS® Renewal™ Floral Foam has a 56% lower carbon footprint than petroleum-based floral foams without losing the look, feel, and performance you've come to trust from OASIS® Floral Foams.
